

LESSON 12: HOMEWORK TASK

Budget Template

Choose either Sarah's story or John's story.

Use the detail in your chosen story to fill in the relevant amounts in columns A (Income) or B (Expenditure) in the Budget Table below.

At the end calculate whether or not there is money left over by subtracting B from A.

| | (A) Income € | (B) Expenditure € |
|------------------------------|------------------|-------------------|
| Unemployment Benefits | | |
| Wages | | |
| Student Grants | | |
| Loans | | |
| Car costs | | |
