## HOW DID YOU SCORE?

Over 40 -

No doubt about it, you're a Super Saver! Sounds like you really keep an eye on your money.

Bet you could offer some great tips to your classmates.

30 - 39 -

Overall you display a very sensible attitude to your money, but remember there is always room for improvement. Find a Super Saver and compare notes!

20 - 29 -

You're somewhere in the middle.

Sometimes you are great at thinking and planning ahead and at other times you kick up your heels and spend like there is no tomorrow.

10 - 19 -

No doubt about it, you like to spend! You will probably find that you are less stressed about money if you watch your spending and try to save a bit.

Less than 10 -

Man you are something else. You spend at a dizzying speed with no thought for the consequences. Be careful though, life has a habit of catching up with you! Talk to a Super Saver or Saver and see what you can learn from them.
